## **DETAILED ACTION**

### ***Allowable Subject Matter***

Upon further consideration based on the argument as provided in the appeal brief filed 7/24/06, claims 1-12 are allowed.

The following is an examiner's statement of reasons for allowance: the prior art of record fails to disclose or render obvious a method of operating an electronic apparatus to control vocalizing by a dog as claimed in detail, especially the steps of operating the controller to determine if each measured frequency lies within any of a plurality of predetermined frequency sub-ranges and if so, then incrementing cumulative totals of the frequencies which lie in the sub-ranges, respectively, to provide a plurality of cumulative totals that represent a frequency spectrum of the vocalizing sounds

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
